Media Release

16/9/12

The first Nascar has arrived from the United States for our new series next year & owner Graham Booth from western Sydney is now busily preparing the car in his workshop for our 25th Nov Media launch & races at Wakefield Park. Graham said they are a lot different to the Sports Sedans that he is use to racing but is looking forward to learning the secrets of driving these cars fast.

If anyone has any news, or interesting ideas please feel free to contact SCA Co-ordinator Brian Walden on email, brian@scaseries.com.au or telephone 0400 157 650.
